PHILOSOPHIE

Ypsilon is a thought that becomes action and arise in design. Our vision is to create a style, to be immediately recognizable for the project solutions proposed.

An engagement to which we dedicate all our time and our experience, daily comparing ourselves to the most dynamic ideas, selecting innovative materials and creating new trends of the furniture that have an effect on the behavior and on the contemporary lifestyle.

Ypsilon changes the perception of the reality in its constant evolution, for a new way to defining the environments.

WALTON

Inspired by the lines of Art Déco, the Walton is a valuable piece of bathroom furniture. The desire to create a sought-after piece is expressed in the selection of the highest quality materials: precious marbles, chrome or gold-plated metals and mirrors decorated with eye-catching diamond bevels; the Walton is one of a kind. There is a wide variety of marbles to choose for the countertop and the solid wood body is available in a wide range of colours and finishes.
