HOME INTERIORS

E T R O

HOME INTERIORS

Nomadic spirit and air of travel for the new Etro Home Interiors Collection. Natural continuation of Etro Fashion, it perfectly embodies the refinement, creativity and vibrant sense of colour which has always characterized the brand. Declined in four different narrations expressing the eclecticism of the brand, the collection is distinguished by furniture with elegant and linear designs, while the upholstery boasts highly prized fabrics featuring Etro's already iconic designs.

AGRA

SEATS

Classic charm meets oriental and spiritual suggestions in a refined and elegant sofa. The references to the Asiatic, mystical culture are declined in the use of gold and light tone sur tone nuances, revealing the introspective character of the brand. Raised from the ground by thin feet, the sofa is upholstered in a precious and light fabric with a typical Etro pattern and is enriched by refined details such as the decorative studs creating a paisley motif on the armrests.

BABEL

FOLDABLE TRAVEL CHAIR WITH TRAVEL TRUNK

The iconic piece, part of the "Nomadic Story", inspired by travels in India and Western Asia, in which the power of symbolic language is expressed through the masterful use of fabrics and of the brand's quintessential pattern, Paisley.

The Babel seat has a shape reminiscent of that of a foldable travel chair, while still maintaining a refined, luxurious throne-like form. Thus, the voyage themed essence of the collection is enriched by a touch of irony, the tale of travel emphasised by the symbolic presence of a suitcase, a trusted companion to the distant lands so dear to the brand.

FONDA

BOOKCASE

A bookcase with a strong decorative appeal, worthy of a starring role in any living space. The scenographic structure is the result of a game of colours and contrasts: the regular and austere grid is livened up thanks to the alternation of natural Vienna straw patterns and graphic prints typical of the Maison. The skilful use of materials lends the library a unique and captivating design.
