DESK 3.0

Designed by Francesco Bettoni, Bruno Fattorini

Family of workstations composed of aluminium frame and HPL tabletop, either in black, white or medium grey. Monochrome tables are complete with inspectionable raceway for wiring and cable access spring. The following versions are available: single version (desktop) with cable management tabletop and double version (with front seats) with cable management tabletop. Accessories available for workstations: dattilo L90 D55, cable management door, PC holder and chest of drawers.

FRAME

Frame and legs, 45x45 mm section, are in epoxy coated aluminium in the colours white, graphite grey and medium grey. Concealed joint.
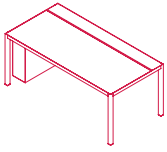

TOPS

Cable management tops and tabletops in HPL: high-pressure laminate, with structural aluminium sheets inside. 8 mm thick.
Colours white, medium grey and black according to the frame. Also available the HPL version in the colour ice white, certified in compliance with standard UNI EN13722 and UNI EN13721.
Built-in tabletops, with excellent stability and flatness, no fittings required.
